65C-22.008 School Age Child Care.

(1) Definitions.

(a) "School-Age Child" means a child who is at least five (5) years of age by September 1st of the beginning of the school year and who attends kindergarten through grade five (5).

(b) "School-Age Child Care Program" means any licensed child care facility serving school-aged children as defined in paragraph 65C-22.008(1)(a), F.A.C., or any before and after school programs that are licensed as a child care facility defined in Section 402.302, F.S., and serve only school-aged children as defined in paragraph 65C-22.008(1)(a), F.A.C.

(2) Licensure Requirements.

(a) An after school program exempted under subparagraph 65C-22.008(2)(c)1. or 3., F.A.C., may become licensed if they choose to meet all of the applicable licensing standards in subsection 65C-22.008(3), F.A.C.

(b) After school programs that choose to expand their program beyond the parameters in subparagraphs 65C-22.008(2)(c)1. through 4., F.A.C., must be assessed to determine if licensure is required. Any of the after school programs accepting children under the age of the school-age child as defined in paragraph 65C-22.008(1)(a), F.A.C., above, must be licensed.

(c) An "After School Program" serving school-age children is not required to be licensed if the program meets one of the following criteria:

1. Program is located on public/nonpublic school sites, operated and staffed directly by that school or through a written or formal agreement between the school and a provider to serve school-age children attending the school. These programs exclusively serve those children who attend the public/nonpublic school during the school day. The program may extend to providing services before school, on teacher planning days, holidays, and intercessions that occur during the school district's official calendar year. Pursuant to Section 402.305(5), F.S., programs operated in public school facilities, regardless of the operator, shall follow the standards set forth by the Florida Building Code State Requirements for Public Educational Facilities; or

2. Program provides activities that are strictly instructional or tutorial/academic in nature. These programs cannot extend beyond the instructional and tutorial/academic activities of
that program and do not serve or prepare meals or snacks. However, the program may choose to provide drinks and snacks that do not require refrigeration or vending machine items that do not require refrigeration. Some examples of these programs include, but are not limited to, computer class; ballet; karate; gymnastics; baseball, and other sports; or

3. Program meets all of the following criteria:

a. Operate for a period not to exceed a total of four (4) hours in any one (1) day; however, may extend to providing services before school, on teacher planning days, holidays, and intercessions that occur during the school district's official calendar year; and

b. Allow children to enter and leave the program at any time, without adult supervision; and

c. Do not provide any transportation, directly or through a contract or agreement with an outside entity, for the purpose of field trips, during the hours of operation; and

d. Do not serve or prepare any meals or snacks, however the program may choose to provide drinks and snacks that do not require refrigeration or vending machine items that do not require refrigeration; or

4. Program provides after school care exclusively for children in grades six (6) and above.

(d) Application for licensure. Application for a license or for renewal of a license to operate a school-age child care program must be made on CF-FSP Form 5272, Feb. 2004, Application for a License to Operate a School-Age Child Care Program, which is incorporated by reference. CF-FSP Form 5272 may be obtained from the licensing authority or on the Department of Children and Family Services' website at www.myflorida.com/childcare.

1. Each completed CF-FSP Form 5272 must be submitted with the licensure fee.

2. The completed CF-FSP Form 5272 must be signed by the individual owner, or prospective owner, or the designated representative of a partnership, association, or corporation.

3. For the purpose of issuing a license, any out-of-state criminal offense, which if committed in Florida would constitute a disqualifying felony offense, shall be treated as a disqualifying felony offense for screening purposes under this rule.

4. A completed CF-FSP Form 5272 for renewal of an annual license must be submitted to the licensing authority at least 45 days prior to the expiration date of the current license to ensure that a lapse of licensure does not occur.

(e) License. A school-age child care license is issued in the name of the owner, partnership, association, or corporation, and must be posted in a conspicuous location where the school-age child care program is operating.

(3) School Age Child Care Standards. The following school age child care standards apply to
"School Age Child Care Programs" as defined in paragraph 65C-22.008(1)(b), F.A.C. These programs must meet the following licensing standards:

(a) Minimum Age Requirements. In the absence of the operator, there must be a staff person at least 21 years of age in charge of the school-age child care program and on the premises at all times.

(b) Ratios. For children five (5) years of age and older, there must be one (1) child care personnel for every 25 children.

(c) Supervision. When caring for school-age children, child care personnel shall remain responsible for the supervision of the children in care and capable of responding to emergencies, and are accountable for children at all times, which includes when children are separated from their groups. At all times lighting must be sufficient to visually observe and supervise children while in care.

1. No person shall be an operator, owner, or employee in a school-age child care program while using or under the influence of narcotics, alcohol, or other drugs that impair an individual’s ability to provide supervision and safe child care.

2. In addition to the number of staff required to meet the staff-to-child ratio, for the purpose of safety, one (1) additional adult must be present on all field trips away from the school-age child care program to assist in providing direct supervision.

3. A telephone or other means of instant communication shall be available to staff responsible for children during all field trips. Cellular phones, two-way radio devices, citizen band radios, and other means of instant communication are acceptable.

4. If a school-age child care program uses a swimming pool that exceeds three (3) feet in depth or uses beach or lake areas for water activities, the school-age child care program must provide one (1) person with a certified lifeguard certificate or equivalent, unless a certified lifeguard is on duty and present when any children are in the swimming area. In situations where the school-age child care program provides a person with a certified lifeguard certificate or equivalent, that person can also serve as the additional adult to meet the requirement in subparagraph (c)2., above.

(d) Access. A school-age child care program must provide the custodial parent or legal guardian access, in person and by telephone, to the program during the program's normal hours of operation or during the time the child is in care.

(e) General Requirements.

1. All school-age child care program facilities must be clean, in good repair, and free from health and safety hazards and from vermin infestation. During the hours that the program is in operation, no portion of the building shall be used for any activity which endangers the health and safety of the children.
2. All areas and surfaces accessible to children shall be free from toxic substances and hazardous materials.

3. All potentially harmful items including cleaning supplies, flammable products, poisonous, toxic, and hazardous materials must be labeled. These items, as well as knives and sharp tools and other potentially dangerous hazards, shall be stored separately and locked or inaccessible and out of a child’s reach.

4. No firearms or weapons, as defined in Section 790.001, F.S., shall be allowed within any building or conveyance, or upon any person located on the premises, excluding federal, state, or local Law Enforcement Officers.

5. No narcotics, alcohol, or other impairing drugs shall be present on the premises.

6. Animals must be properly immunized, free from disease, and clean. Parents must be informed in writing of all animals on the premises. Such information may be provided by way of a conspicuously posted notice or bulletin, policy handbook, parent flier, or a statement included on the enrollment form.

7. Pursuant to Chapter 386, F.S., smoking is prohibited within the school-age child care program, all outdoor play areas, and in vehicles when being used to transport children.

8. Design and construction of a new child care facility or modifications to an existing facility must meet the minimum requirements of the applicable local governing body.

(f) Rooms Occupied by Children.

1. An inside temperature of 65 to 82 degrees Fahrenheit must be maintained at all times.

2. All rooms shall be kept clean, adequately ventilated and in good repair. Cleaning shall not take place while rooms are occupied by children except for general clean-up activities which are a part of the daily routine.

3. Rodents and vermin shall be exterminated. Pest control shall not take place while rooms are occupied by children.

(g) Napping and Sleeping Space. For the purposes of this standard, sleeping refers to the normal night time sleep cycle while napping refers to a brief period of rest during daylight or early evening hours. Each school-age child care program must include a designated area where each child can sit quietly or lie down to rest or nap. When not in use, napping space and usable indoor floor space may be used interchangeably as described in paragraph 65C-22.008(3)(i), F.A.C.

(h) Toilet and Bath Facilities.
1. Each school-age child care program shall provide and maintain toilet and bath facilities that are easily accessible and at a height usable by the children. Platforms are acceptable when safely constructed and easily cleaned and sanitized.

2. For facilities having from one (1) to 15 children, there shall be at least one (1) toilet and one wash basin. There shall be one (1) additional toilet and basin for every 30 children thereafter. For design and construction of a new child care facility or modification to an existing facility, subparagraph 65C-22.008(3)(e)8., F.A.C., shall apply.

3. Toilet facilities shall not open directly into an area where food is prepared. A toilet facility may open directly into an area used by children where food is served.

4. Running water, soap, trash receptacles, toilet paper, and disposable towels or hand drying machines that are properly installed and maintained shall be available and within reach of children using the toileting facility.

5. Each basin and toilet must be maintained in good operating condition and sanitized as needed, at least once per day.

(i) Indoor Floor Space.

1. A school-age child care program that held a valid license on October 1, 1992, must have a minimum of 20 square feet of usable indoor floor space for each child. A school-age child care program that did not hold a valid license on October 1, 1992, and seeks regulatory approval to operate as a school-age child care program, must have a minimum of 35 square feet of usable indoor floor space for each child.

2. Usable indoor floor space refers to that space available for indoor play, classroom, work area, or nap space. Usable indoor floor space is calculated by measuring at floor level from interior walls and by deleting space for stairways, toilets and bath facilities, permanent fixtures and non-movable furniture. Kitchens, offices, laundry rooms, storage areas, hallways, and other areas not used in normal day-to-day operations are not included when calculating usable indoor floor space.

3. In addition to the total facility minimum square footage per child, each room that is routinely occupied by children must have a minimum of 20 square feet or 35 square feet (whichever is applicable) per child at all times.

4. Shelves or storage for toys and other materials shall be considered as usable indoor floor space if accessible to children.

5. A school-age child care program may request in writing permission from the licensing authority to operate under an exception to usable indoor floor space as specified in paragraph 65C-22.008(3)(i), F.A.C. The written request must include an explanation of why the exception is necessary as well as an alternate plan to accommodate instances of inclement weather.
(j) Outdoor Play Area.

1. There shall be a minimum of 45 square feet of usable, safe and sanitary outdoor play area per each school-aged child. A minimum outside play area shall be provided for one-half (1/2) of the licensed capacity.

2. Based on the outdoor square footage, the total number of children using the play area may not exceed the outdoor capacity.

3. The outdoor play area shall be clean and free from litter, nails, glass and other hazards.

4. The outdoor play area shall provide shade.

5. During outdoor play, personnel must situate themselves in the outdoor play area so that all children can be observed and direct supervision can be provided.

6. The facility's outdoor play area shall be fenced in accordance with accepted safety practices and local ordinances to prevent access by children to all water hazards within or adjacent to outdoor play areas, such as pools, ditches, retention and fish ponds.

7. The outdoor play area shall have and maintain safe and adequate fencing or walls a minimum of four (4) feet in height. Fencing, including gates, must be continuous and shall not have gaps that would allow children to exit the outdoor play area. The base of the fence must remain at ground level and be free from erosion or build-up to prevent inside or outside access by children or animals.

8. A school-age child care program may request in writing permission from the licensing authority to operate under an exception to outdoor floor space as specified in paragraph 65C-22.008(3)(j), F.A.C. The written request must include an explanation of why the exception is necessary as well as an alternate plan for inclusion of fine and gross motor skills opportunities. If not requesting an exemption to the outdoor play area, the school-age child care program may operate without a fence if all the following provisions are met:

   a. The children using the outdoor play area are in five (5) year old kindergarten and grades one (1) or above;

   b. In addition to the established staff-to-child ratios, for the purpose of safety, an additional staff member is present at all times during outdoor activities, to assist in providing direct supervision;

   c. The outdoor play area is bordered by a road or street open to travel by the public with a posted or unposted speed limit of no more than 25 miles per hour, or where the posted or unposted speed limit is no greater than 35 miles per hour and the playground is a minimum of 30 feet from the edge of the road; and
d. The licensing authority has provided written authorization to the program to operate without a fence.

(k) Health and Sanitation.

1. All buildings, when the windows or doors are open, must have and maintain screens to prevent entrance of any insect or rodent. Screens are not required for open air classrooms and picnic areas.

2. Employees, volunteers, and children shall wash their hands with soap and running water, dry thoroughly and follow personal hygiene procedures for themselves, or while assisting others, and immediately after outdoor play.

3. Safe drinking water shall be available to all children. If disposable cups are used, they must be discarded after each use.

4. School-age child care programs must have written documentation from the local Environmental Health Unit that they have either met or have been exempted from local environmental health standards.

(l) Equipment and Furnishings.

1. Indoor Equipment.

a. A school-age child care program shall make available toys, equipment and furnishings suitable to each child's age and development and of a quantity suitable for each child to be involved in activities.

b. Toys, equipment and furnishings must be safe and maintained in a sanitary condition.

2. Outdoor Equipment.

a. A school-age child care program shall provide and maintain equipment and play activities suitable to each child's age and development.

b. All playground equipment shall be securely anchored, unless portable or stationary by design, in good repair, maintained in safe condition, and placed to ensure safe usage by the children. Maintenance shall include checks, at least every other month, of all supports above and below the ground and all connectors and moving parts.

c. Permanent or stationary playground equipment must have a ground cover or other protective surface under the equipment that provides resilience and is maintained to reduce the incidence of injuries to children in the event of falls.

d. All equipment, fences, and objects on the program's premises shall be free from sharp, broken and jagged edges and shall be properly placed to prevent overcrowding or safety
hazards in any one (1) area.

e. All equipment used in the outdoor play area shall be constructed and maintained to allow for water drainage and shall be maintained in a safe and sanitary condition.

(m) Health Related Requirements.

1. Communicable Disease Control.

a. Children in care shall be observed on a daily basis for signs of communicable disease. Any child, child care personnel or other person in the school-age child care program suspected of having a communicable disease shall be removed from the program or placed in an isolation area until removed. Such person may not return without medical authorization, or until the signs and symptoms of the disease are no longer present. With a child, the condition shall be reported to the custodial parent or legal guardian. Signs and symptoms of a suspected communicable disease include the following:

(I) Severe coughing, causing the child to become red or blue in the face or to make a whooping sound;

(II) Difficult or rapid breathing;

(III) Stiff neck;

(IV) Diarrhea (more than one abnormally loose stool within a 24 hour period);

(V) Temperature of 101 degrees Fahrenheit or higher when in conjunction with any other signs of illness;

(VI) Pink Eye;

(VII) Exposed, open skin lesions;

(VIII) Unusually dark urine and/or gray or white stool;

(IX) Yellowish skin or eyes; or

(X) Any other unusual sign or symptom of illness.

b. A child identified as having head lice shall not be permitted to return until treatment has occurred. Verification of treatment may include a product box, box top, empty bottle, or signed statement by a parent that treatment has occurred.

c. Isolation Area. Each school-age child care program shall have a designated isolation area for a child who becomes ill while in care of the program. Such space shall be adequately ventilated, heated, and equipped with a bed, mat, or cot and materials that can be sanitized
easily. Linens and disposables shall be changed after each use and used linens and disposables shall be kept in a closed container in the isolation area until cleaned or disposed. The isolated child must be within sight and hearing of a staff person at all times. The child must be carefully observed for worsening conditions.

d. Outbreaks. Operators are required to notify the local county health department immediately upon any suspected outbreak of communicable disease in accordance with Chapter 64D-3, F.A.C., Communicable Disease Control. A suspected outbreak occurs when two (2) or more children or employees have the onset of similar signs or symptoms, as outlined in sub-subparagraphs 65C-22.008(3)(m)1.a., F.A.C., above, within a 72-hour period or when a case of a serious or reportable communicable disease is diagnosed or suspected on a child or employee.

2. First Aid, Cardiopulmonary Resuscitation and Emergency Procedures.

a. Each school-age child care program must have at least one (1) staff member with current and valid certificate(s) of course completion for first aid training and child cardiopulmonary resuscitation (CPR) procedures. One (1) staff member satisfying these training requirements shall be present at all times that children are in the care of the program, both on-site and on field trips. A field trip includes all activities away from the program excluding regular transportation to and from the program, i.e., pick-up and drop-off.

b. Certificate(s) of course completion are valid based on the time frames established by each first aid and CPR training program, not to exceed three (3) years. Online CPR courses are not acceptable to meet this standard. CPR training must be done by classroom instruction. Documentation that identifies staff members have met the first aid and child cardiopulmonary resuscitation (CPR) training requirement shall be kept on file at the school-age child care program facility.

c. At least one (1) first aid kit must be maintained on the premises of the school-age child care program at all times. A first aid kit must also accompany child care staff when children are participating on field trips. Each kit shall be in a closed container and labeled "First Aid". The kits shall be accessible to the child care staff at all times and kept out of the reach of children. Each kit must at a minimum include:

(I) Soap,

(II) Band-aids or equivalent,

(III) Disposable non-porous gloves,

(IV) Cotton balls or applicators,

(V) Sterile gauze pads and rolls,

(VI) Adhesive tape,
(VII) Thermometer,

(VIII) Tweezers,

(IX) Pre-moistened wipes,

(X) Scissors, and

(XI) A current resource guide on first aid and CPR procedures.

a. Emergency telephone numbers, including ambulance, fire, police, poison control center, Florida Abuse Hotline, the county public health unit and the address of and directions to the facility, including major intersections and local landmarks, must be posted on or near all school-age child care program telephones and shall be used to protect the health, safety and well-being of any child in day care.

b. Custodial parents or legal guardians shall be notified immediately in the event of any serious illness, accident, injury or emergency to their child and their specific instructions regarding action to be taken under such circumstances shall be obtained and followed. If the custodial parent or legal guardian cannot be reached, the school-age child care program owner will contact those persons designated by the custodial parent or legal guardian to be contacted under these circumstances, and shall follow any written instructions provided by the custodial parent or legal guardian on the enrollment form.

c. All accidents and incidents which occur at a school-age child care program or while a child is in the care of program staff must be documented on the day they occur. This documentation must be shared with the custodial parent or legal guardian on the date of occurrence. Documentation shall include the name of the affected party, date and time of occurrence, description of occurrence, actions taken and by whom, and appropriate signatures of program staff and custodial parent or legal guardian and maintained for one (1) year.

d. After a fire or natural disaster, the operator must notify the licensing agency within 24 hours as to their status of operation in order for the licensing authority to ensure health standards are being met for continued operation.

e. The operator shall prepare an emergency evacuation plan including a diagram of safe routes by which the personnel and children may exit the school-age child care program site in the event of fire or other emergency requiring evacuation of the program and post a copy of the plan in each room of the program site.

4. Medication. School-age child care programs are not required to give medication; however, if a program chooses to do so, the following shall apply:
a. The school-age child care program must have written authorization from the custodial parent or legal guardian to dispense prescription and non-prescription medications. This authorization must be dated and signed by the custodial parent or legal guardian and contain the child's name; the name of the medication to be dispensed; and date, time and amount of dosage to be given. This record shall be initialed or signed by the program personnel who gave the medication.

b. Any known allergies to medication or special restrictions must also be documented, maintained in the child's file, shared with staff and posted with stored medication.

c. Prescription and non-prescription medication brought to the school-age child care program by the custodial parent or legal guardian must be in the original container. Prescription medication must have a label stating the name of the physician, child's name, name of the medication, and medication directions. All prescription and non-prescription medication shall be dispensed according to written directions on the prescription label or printed manufacturer's label.

d. In the event of an emergency, non-prescription medication that is not brought in by the parent or legal guardian can be dispensed only if the program has written authorization from the parent or legal guardian to do so.

e. Any medication dispensed under these conditions must be documented in the child's file and the custodial parent or legal guardian must be notified on the day of occurrence.

f. The facility must maintain a record for each child receiving medications that documents the full name of the child, the name of medication, the date and time the medication was dispensed, the amount and dosage, and the name of the person who dispensed the medication. The record shall be maintained for a minimum of four (4) months after the last day the child received the dosage.

g. All medicine must have child resistant caps and shall be stored separately and locked or inaccessible and out of a child's reach.

h. Medication that has expired or that is no longer being dispensed shall be returned to the custodial parent or legal guardian or discarded if the child is no longer enrolled in the school-age child care program.

(n) Child Discipline.

1. Verification that the school-age child care program has provided, in writing, the disciplinary policy used by the program shall be documented on the enrollment form with the signature of the custodial parent or legal guardian.

2. All child care personnel must comply with the school-age child care program's written disciplinary policy. Such policies shall include standards that prohibit children from being
subjected to discipline that is severe, humiliating, frightening, or associated with food, rest, or toileting. Spanking or any other form of physical punishment is prohibited by all child care personnel.

3. A copy of the school-age child care program's current written disciplinary policies must be available to the licensing authority to review for compliance with Section 402.305(12), F.S.

(o) Nutrition.

1. If a school-age child care program chooses to supply food, it shall provide nutritious meals and snacks of a quantity and quality to meet the daily nutritional needs of the children. The USDA My Pyramid, April 2005, shall be used to determine what food groups to serve at each meal or snack and the serving size of the selected foods for children ages two (2) and older. Using the USDA My Pyramid, breakfast shall consist of at least three (3) different food groups, lunch and dinner shall consist of at least four (4) different food groups, and snacks shall consist of at least two (2) different food groups. The categories "oils" and "discretionary calories" may not be considered food groups. Copies of the USDA My Pyramid may be obtained from the licensing authority, the local county health department or from the USDA website at www.mypyramid.gov.

2. If a school-age child care program chooses not to provide meals and snacks, arrangements must be made with the custodial parent or legal guardian to provide nutritional food for the child.

3. If a special diet is required for a child by a physician, a copy of the physician's order, a copy of the diet, and a sample meal plan for the special diet shall be maintained in the child's file. If the parent or legal guardian notifies the school-age child care program of any known food allergies, written documentation must be maintained in the child's file for as long as the child is in care. Special food restrictions must be shared with staff and must be posted in a conspicuous location.

4. Meal and snack menus shall be planned, written, and posted at the beginning of each week. Any menu substitution shall be noted on the menu. Menus shall be dated and posted in the food service area and in a conspicuous place accessible to parents. Daily meal and snack menus shall be maintained for a minimum of one (1) month.

(p) Food Preparation Area.

1. All licensed school-age child care programs approved by the Environmental Health Section to prepare food shall have documentation on file from the Department of Health verifying the facility meets the applicable requirements as specified in Chapter 64E-11, F.A.C., Food Hygiene.

2. School-age child care programs must have written documentation from the local Environmental Health Unit that they have either met or have been exempted from local environmental health standards, specified in Chapter 64E-11, F.A.C., Food Hygiene, as it
pertains to the food preparation area specified in subparagraph 65C-22.008(3)(p)1., F.A.C.

(q) Food Service.

1. School-age child care programs shall provide sufficient age appropriate seating so that children are seated at tables for meals.

2. Children shall be supervised during all meals and snacks and offered foods appropriate for their ages.

3. Single service paper or plastic plates, utensils, and cups shall not be reused. Plates, utensils and cups provided by the facility that are not disposable shall be washed, rinsed, and sanitized between uses.

(r) Fire Safety.

1. Unless statutorily exempted, all school-age child care programs shall conform to state standards adopted by the State Fire Marshal, Chapter 69A-36, F.A.C., Uniform Standards for Life Safety and Fire Prevention in Child Care Facilities, which is incorporated herein by reference, and shall be inspected annually. A copy of the current and approved annual fire inspection report by a certified fire inspector must be on file with the licensing authority. However, a school-age child care program may seek an exemption to state standards adopted by the State Fire Marshal, Chapter 69A-36, F.A.C., Uniform Standards for Life Safety and Fire Prevention in Child Care Facilities. The written exemption request, which must include a plan for ensuring the safety of children in care, must be made to the local fire inspection office and, if granted, the exemption must be documented and maintained on file at the program.

2. There shall be at least one (1) corded telephone in the school-age child care program facility that is neither locked nor located at a pay station and is available to all staff during the hours of operation.

3. Fire drills shall be conducted monthly at various times when children are in care. A current attendance record must accompany staff out of the building during a drill or actual evacuation and be used to account for all children.

4. The operator shall maintain a written record of monthly fire drills showing the date, number of children in attendance, and time taken to evacuate the premises. Each monthly record shall be maintained for a minimum of four (4) months from the date of the fire drill.

(s) Transportation. For the purpose of this section, vehicles refer to those owned/operated or regularly used by the school-age child care program, and vehicles that provide transportation through a contract or agreement with an outside entity.

1. When any vehicle is regularly used by a school-age child care program to provide transportation, the driver shall have a current Florida driver's license, an annual physical
examination which grants medical approval to drive, and valid certificate(s) of course completion for first aid training and infant and child cardiopulmonary resuscitation (CPR) procedures.

2. All child care facilities must comply with the insurance requirements found in Section 316.615(4), F.S.

3. All vehicles regularly used to transport children shall be inspected annually by a mechanic to ensure that they are in proper working order. Documentation by the mechanic shall be maintained in the vehicle.

4. The maximum number of individuals transported in a vehicle may not exceed the manufacturer’s designated seating capacity or the number of factory installed seat belts.

5. Each child, when transported, must be in an individual factory installed seat belt or federally approved child safety restraint unless the vehicle is excluded from this requirement by Florida Statute.

6. When transporting children, staff-to-child ratios must be maintained at all times. The driver may be included in the staff-to-child ratio.

7. Driver’s Log. A log shall be maintained for all children being transported in the vehicle. The log shall be retained for a minimum of four (4) months. The log shall include each child’s name, date, time of departure and time of arrival, signature of driver and signature of second staff member to verify driver’s log and the fact that all children have left the vehicle.

8. Prior to transporting children, the driver’s log must be recorded, signed, and dated immediately, verifying that all children were accounted for and that the log is complete.

9. Upon arrival at the destination, the driver of the vehicle shall:

a. Mark each child off the log as the children depart the vehicle,

b. Conduct a physical inspection and visual sweep of the vehicle to ensure that no child is left in the vehicle, and

c. Record, sign, and date the driver’s log immediately, verifying that all children were accounted for and that the visual sweep was conducted.

10. Upon arrival at the destination, a second staff member shall:

a. Conduct a physical inspection and visual sweep of the vehicle to ensure that no child is left in the vehicle, and

b. Sign, date and record the driver’s log immediately, verifying that all children were
accounted for and that the log is complete.

(t) Record Keeping.

1. General Requirements.

a. Each of the records described in this section shall be maintained at the school-age child care program and available during the hours of operation for review by the licensing authority.

b. A copy of all background screening documents for the director and owner must be included in the department's official licensing file.

c. Copies of required records are acceptable for documentation. Original documents are the property of the party providing the information.

2. Health Records. School-aged children attending public or nonpublic schools are not required to have student health examination and immunization records on file at the school-age child care program as such records are on file at the school where the child is enrolled.

3. Enrollment Information. The facility operator shall obtain enrollment information from the child's custodial parent or legal guardian prior to accepting a child in care. This information shall be documented on CF-FSP Form 5219, Child Care Application for Enrollment, or an equivalent form that contains all the information required by the Department of Children and Family Services on CF-FSP Form 5219. CF-FSP Form 5219 may be obtained from the licensing authority or by going to the Department of Children and Family Services' website at www.myflorida.com/childcare.

a. Enrollment information shall be kept current and on file.

b. The child shall not be released to any person other than the person(s) authorized or in the manner authorized in writing by the custodial parent or legal guardians.

c. There shall be signed statements from the custodial parents or legal guardian that the school-age child care program has provided them with the following information:

Local licensing agencies may use an equivalent brochure approved by the Department of Children and Family Services.

(II) The school-age child care program's written disciplinary practices.

4. Personnel Records. Records shall be maintained and kept current on all child care personnel, as defined by Section 402.302(3), F.S., and household members if the facility is
located in a private residence. These shall include:

a. An employment application with the required statement pursuant to Section 402.3055(1)(b), F.S.

b. Position and date of employment.

c. Signed statement that the employee understands the statutory requirements for professionals' reporting of child abuse and neglect.

d. Level 2 screening information documented on CF-FSP Form 5131, Background Screening and Personnel File Requirements. A screening conducted under this rule is valid for five (5) years, at which time a statewide re-screen must be conducted. Child care personnel must be re-screened following a break in employment in the child care industry which exceeds 90 days. If child care personnel takes a leave of absence, such as maternity leave, extended sick leave, migrant child care programs, etc., re-screening is not required unless the five (5) year re-screen has come due during the leave of absence.

(I) A person in this five (5) year re-screen category must undergo the same level of screening which was required upon initial employment and must include, at a minimum:

(A) Statewide criminal records checks through the Florida Department of Law Enforcement and a local criminal records check.

(B) An employment history check that includes the previous two (2) years. An employment history check conducted under this rule shall include the applicant's position description, confirmation of employment dates from previous job(s), and level of job performance.

(C) CF 1649A, A Child Care Attestation of Good Moral Character, must be completed annually for all child care personnel. CF 1649A may be obtained from the licensing authority or on the Department of Children and Family Services' website at www.myflorida.com/childcare.

(II) A copy of all background screening documents for the director and owner must be included in the department's official licensing file or in accordance with the appropriate to local licensing agency requirements.

e. Copies of training information and credentials as described in subsection 65C-22.008(4), F.A.C.

(f) Driver's license and driver physical examination documentation. A copy of the driver's license and the physician certification or another form containing the same elements of the physician certification, granting medical approval to operate the vehicle, and valid certificate(s) of course completion for first aid training and child cardiopulmonary resuscitation (CPR) procedures must also be maintained in the driver's personnel file.
5. Summary of Records. In addition to the documentation outlined in subparagraphs 65C-22.008(3)(t)1., 2. and 3., F.A.C., the following is a list of records that shall be maintained at the school-age child care program and available during the hours of operation for review by the licensing authority.

a. Driver's log. Must be retained for the previous four (4) months as referenced in subparagraph 65C-22.008(3)(s)7., F.A.C.

b. Facility's written disciplinary policies as referenced in subparagraph 65C-22.008(3)(n)3., F.A.C.

c. Written record of monthly fire drills. Must be maintained for a minimum of four (4) months as referenced in subparagraph 65C-22.008(3)(r)4., F.A.C.

d. Documentation of staff members that have met the first aid and infant and child cardiopulmonary resuscitation (CPR) training requirement as referenced in sub-subparagraph 65C-22.008(3)(m)2.b., F.A.C.

e. Posted emergency telephone numbers and the address of and directions to the facility as referenced in sub-subparagraph 65C-22.008(3)(m)3.a., F.A.C.

f. Documentation of accidents/incidents. Must be maintained for one (1) year as referenced in sub-subparagraph 65C-22.008(3)(m)3.c., F.A.C.

g. Emergency evacuation plan as referenced in sub-subparagraph 65C-22.008(3)(m)3.e., F.A.C.

h. Record for each child receiving medication. Must be maintained for a minimum of four (4) months after the last day the child received the dosage as referenced in sub-subparagraph 65C-22.008(3)(m)3.f., F.A.C.

i. Sample meal plan for special diet (if applicable). A copy of the physician's order, a copy of the diet, and a sample meal plan for the special diet must be maintained for as long as the child is in care as referenced in subparagraph 65C-22.008(3)(o)3., F.A.C.

j. Written documentation of known food allergies (if applicable). Must be maintained for as long as the child is in care as referenced in subparagraph 65C-22.008(3)(o)3., F.A.C.

k. Daily meal and snack menus, including meal substitutions. Must be maintained for one (1) month as referenced in subparagraph 65C-22.008(3)(o)4., F.A.C.

(4) School-Age Child Care Personnel Training Requirements.

(a) Definitions.

1. "Active" refers to the status of a candidate's awarded credential or certification in which
requirements have been successfully met.

2. "Before-school and after-school site" refers to a program, regardless of location, that provides child care for children who are at least five (5) years old and are enrolled in and attend a kindergarten program or grades one (1) and above during a school district's calendar year. This is limited to programs that provide care only before and after the recognized hours of a district's school day and on teacher planning days, holidays, and intercessions that occur during the school district's official calendar year.

3. "Begin training for child care personnel" refers to a candidate's commencement of at least one (1) of the child care training courses listed in Section 402.305(2)(d), F.S. This may be accomplished by classroom attendance, acquiring an educational exemption from training, beginning a department-approved online child care training course, or by completion of a department-approved competency examination within the first 90 days of employment in the child care industry. The child care facility is responsible for obtaining documentation from child care personnel.

4. "Director" means "operator" as defined in Section 402.302(11), F.S., is the onsite administrator or individual who has the primary responsibility for the day-to-day operation, supervision and administration of a child care facility.

5. "Director Credential" is a department-approved comprehensive credential that consists of educational and experiential requirements as referenced in paragraph 65C-22.008(4)(i), F.A.C.

6. "Training Transcript" is the electronic documentation of statutorily mandated training and staff credential qualifications for child care personnel. Training transcripts may be obtained on the Department of Children and Family Services' website at www.myflorida.com/childcare.

7. "Weighted score" means a scaled score, rather than a percentage score, based on the difficulty of the exam and determined by competency exam professionals in consultation with subject matter experts.

(b) All child care personnel must complete training within 12 months from the date training begins and may not exceed 15 months from the date of employment in the child care industry.

(c) Child care personnel hired on or after October 1, 1992 must successfully complete 40 hours of child care training by completing the following Department of Children and Family Services' training as evidenced by successful completion of competency examinations offered by the Department of Children and Family Services or its designated representative with a weighted score of 70 or better. Child care personnel who successfully completed the following training prior to January 1, 2004 are not required to fulfill the competency examination requirement:
1. Child Care Facilities Rules and Regulation;

2. Health, Safety, and Nutrition;

3. Identifying and Reporting Child Abuse and Neglect; and

4. School Age-Appropriate Practices.

(d) The remaining hours must be met by successfully completing a combination of other Department of Children and Family Services' training identified below as evidenced by successful completion of competency examinations offered by the Department of Children and Family Services or its designated representative with a weighted score of 70 or better:

1. Child Growth and Development (10 hours),

2. Behavioral Observation and Screening (10 hours),

3. Infant and Toddler Appropriate Practices (10 hours),

4. Preschool Appropriate Practices (10 hours),

5. Special Needs Appropriate Practices (10 hours),

6. Basic Guidance and Discipline (5 hours online),

7. Computer Technology for Child Care Professionals (5 hours online),

8. Early Literacy for Children Ages Birth Through Three (5 hours online),

9. Early Childhood Computer Learning Centers (5 hours online),

10. Emergent Literacy for Voluntary Pre-Kindergarten (VPK) Instructors (5 hours online), or

11. Completion of 20 hours of specialized school-age training, provided by a national organization or its affiliates, that requires demonstration of competencies through passage of examination(s) or completion and assessment of a Professional Resource File (portfolio of materials that demonstrate competency).

(e) School-age child care personnel are exempt from the training requirement of five (5) clock-hour early literacy and language development of children from birth to five (5) years of age, under paragraph 65C-22.003(2)(b), F.A.C.

(f) School age child care programs are exempt from the staff credential requirement as outlined in subsection 65C-22.003(7), F.A.C.

(g) Exemptions from the Introductory Child Care Training.
1. Competency Examination Exemptions. Child care personnel have one (1) opportunity, if they choose, to exempt from one (1) or more of the department's Introductory Child Care Training courses prior to attending training by successful completion of corresponding competency examinations with a weighted score of 70 or better. Exemption examinations are not available for the department's online Part II specialized training courses.

2. Educational Exemptions.

   a. The Department of Children and Family Services or its designated representative shall exempt child care personnel from the Health, Safety and Nutrition; Child Growth and Development; and Behavioral Observation and Screening courses who meet one (1) of the following educational qualifications:

      (I) Associate's degree or higher with six (6) college credit hours in early childhood education/child growth and development or degree in elementary education with certification to teach any age birth through 6th grade.

      (II) An active National Early Childhood Credential (NECC) or an active Birth Through Five Florida Child Care Professional Credential (FCCPC).

   b. The Department of Children and Family Services or its designated representative shall exempt child care personnel with a B.A., B.S. or advanced degree in Early Childhood Education or Preschool Education from the Infant and Toddler Appropriate Practices course and Preschool Appropriate Practices course.

   c. The Department of Children and Family Services or its designated representative shall exempt child care personnel with a B.A., B.S. or advanced degree in Elementary Education from the School Age Appropriate Practices course.

   d. The Department of Children and Family Services or its designated representative shall exempt child care personnel with a B.A., B.S. or advanced degree in Exceptional Student Education from the Special Needs Appropriate Practices course.

   e. There are no educational exemptions from the Child Care Facility Rules and Regulations and the Identifying and Reporting Child Abuse and Neglect courses or from the department's online training courses.

   (h) Annual In-Service Training.

   1. All child care facility personnel must complete a minimum of 10 clock-hours or one (1) CEU of in-service training annually during the state's fiscal year beginning July 1 and ending June 30.

   2. The annual 10 clock-hours or one (1) CEU of in-service training concentrating on children ages birth through 12 must be completed in one (1) or more of the following areas (college
level courses will be accepted):

a. Health and safety, including universal precautions;

b. CPR;

c. First Aid (may only be taken to meet the in-service requirement once every three (3) years);

d. Nutrition;

e. Child development - typical and atypical;

f. Child transportation and safety;

g. Behavior management;

h. Working with families;

i. Design and use of child oriented space;

j. Community, health and social service resources;

k. Child abuse;

l. Child care for multilingual children;

m. Working with children with disabilities in child care;

n. Safety in outdoor play;

o. Literacy;

p. Guidance and discipline;

q. Computer technology;

r. Leadership development/program management and staff supervision;

s. Age appropriate lesson planning;

t. Homework assistance for school-age care;

u. Developing special interest centers/spaces and environments; or

v. Other course areas relating to child care or child care management.
3. Documentation of the in-service training requirement must be recorded on CF-FSP Form 5268, Child Care In-Service Training Record, and included in the child care facilities' personnel records. CF-FSP 5268 may be obtained from the licensing authority or on the Department of Children and Family Services' website at www.myflorida.com/childcare. A new in-service training record is required each fiscal year. The in-service training records for the previous two (2) fiscal years must also be maintained at the child care facility for review by the licensing authority.

(i) Director Credential.

1. Director Credential Requirement. Pursuant to Section 402.305(2)(f), F.S., a child care facility must have a credentialed director. An individual with an inactive Director Credential is ineligible to be the director of a child care facility. An applicant for the Director Credential or Advanced Director Credential must meet the requirements referenced in CF-FSP Form 5290, Florida Child Care Director Credential Verification and Application. CF-FSP Form 5290 may be obtained on the Department of Children and Family Services' website at www.myflorida.com/childcare. All applications and documentation will be verified and credential issued by the Department of Children and Family Services on CF-FSP Form 5252, Florida Director Credential Certificate.

a. An individual may not be the director of child care facilities that overlap in the hours of operation.

b. Each child care facility must have a credentialed director that is on-site a majority of hours that the facility is in operation.

c. Every applicant for a license to operate a child care facility or a license for a change of ownership of a child care facility must document that the facility director has an active Director Credential prior to issuance of the license.

d. Child care facility owners must notify the licensing authority within five (5) working days of when the facility loses a credentialed director or when there is a change of director. The licensing authority will then issue a provisional license for a period not to exceed six (6) months. The provisional license will have an effective date of the first day the facility was without a credentialed director.

e. CF-FSP Form 5252 must be posted in a conspicuous location at the facility.

2. The following exceptions to the Director Credential apply only to before and after school programs that are licensed as child care facilities defined in Section 402.302, F.S., and serve only school-aged children:

a. A credentialed director is not required during evening hours as defined in Section 402.302(6), F.S.
b. A credentialed director may supervise multiple before-school and after-school sites for a single organization as follows:

(I) Three (3) sites regardless of the number of children enrolled, or

(II) More than three (3) sites if the combined total number of children enrolled at the sites does not exceed 350. In calculating the total number of children enrolled, the number of children in the before- and after-school program shall be calculated and viewed as separate programs.

(III) In counties where the public school district has included four (4) year-old children in public before-school and after-school programs, the school district may participate in the multi-site supervision option. Public school districts that serve four (4) year old children in the before-school and after-school programs are required to have a credentialed staff person pursuant to the credentialing requirements in paragraph 65C-22.003(7)(a), F.A.C., in order to accommodate the four (4) year-old children.

(IV) When a credentialed director is supervising multiple sites, the individual left in charge of the site during the director's absence must meet the following requirements:

(A) At least 21 years of age;

(B) Have completed the approved 40 clock-hour Introductory Child Care Training approved by the Department of Children and Family Services; and

(C) Have completed the Department of Children and Family Services' Part II specialized training course, Special Needs Appropriate Practices, or completed a minimum of eight (8) hours of in-service training in serving children with disabilities; or

(D) Have completed the Department of Children and Family Services' School-Age Appropriate Practices specialized training module.

3. Director Credential Renewal.

a. To maintain an active Director Credential at either level, candidates must meet the requirements referenced on CF-FSP Form 5306, Florida Director Credential Renewal Application. CF-FSP Form 5306 may be obtained on the Department of Children and Family Services website at www.myflorida.com/childcare.

b. A Director Credential renewal, as documented on CF-FSP Form 5252, is active for five (5) years from the date of issuance. The completed renewal application, including all required documentation, must be submitted to the Department of Children and Family Services for review and issuance of a Director Credential Renewal Certificate no earlier than one (1) year prior to the end of the active period of the Director Credential. The Director Credential renewal date is determined by the end date of the active period.
c. If a renewal application is received after the end of the active period for the Director Credential, the Director Credential Renewal Application will be reviewed and, if approved, a certificate will be issued with a renewal date of five (5) years from the date the completed renewal application was processed.

4. Director Credential Training Providers.

a. The Department of Children and Family Services is responsible for reviewing and approving "Overview of Child Care Management" courses offered through vocational-technical schools, community colleges and universities to determine if the requirements for the Director Credential coursework are met. Coursework will be reviewed and approved according to the guidelines found in "Florida Child Care and Education Program Director Credential Curriculum Areas;" copies of which may be obtained from the Department of Children and Family Services.

(I) Vocational-technical schools, community colleges and universities seeking to offer the Director Credential training shall submit CF-FSP Form 5247, Florida Child Care and Education Program Director Credential Course Approval Application to the department for course review and approval. CF-FSP Form 5247 may be obtained on the Department of Children and Family Services' website at www.myflorida.com/childcare.

(II) A list of approved "Overview of Child Care Management" courses may be obtained on the Department of Children and Family Services' website at www.myflorida.com/childcare.

b. All college level coursework pertaining to the following content areas will be accepted as approved coursework towards the Advanced Level Director Credential requirements:

(I) Child Care and Education Organizational Leadership and Management.

(II) Child Care and Education Financial and Legal Issues.

(III) Child Care and Education Programming.
