

2015 Incentive Reward Tracks

All major movements require teamwork and inspiration. That is why the NC Tour de Cure presented by Quintiles has partnered with local businesses to bring you fun and exciting rewards in recognition for all of your hard work and commitment to Stop Diabetes.

Starting in February and going through June, on the 16th of every month, you will have the chance to earn cycling-inspired rewards when you reach fundraising milestones.

There are 3 Incentive Reward Tracks available for you to qualify for.

Read the track description and view the track link that applies to you, and know that you might qualify for more than one track!

[Champion Reward Track](#)

Champions are our riders who commit to raise \$1,000 or more for the cause. This track is designed to help those riders reach their goal and enjoy the camaraderie that comes with becoming a champion in the fight against diabetes.

[Red Rider Reward Track](#)

You are why we ride! This track is designed for Red Riders, riders with diabetes and is full of gifts and experiences that will help Red Riders have fun while learning more about managing diabetes on the bike.

[Team Captain Reward Track](#)

Team Captains are among our most passionate riders, as they have elected to lead a group of riders from start-to-finish, both on the bike and in reaching fundraising goals. This track contains team-bonding opportunities for teams to earn as they reach each milestone, along with special team captain only gifts.

2015 Post-Ride Thank you Gifts

[2015 Thank you Gift](#)

To thank all of our riders who raise over \$250, on June 16th, 30 days after the NC Tour de Cure, your Tour Center will officially close and your final donation amount will be posted. You will receive a 2015 THANK YOU gift code link to click on to redeem a gift of your choice!
