Welcome!

Thank you for registering for the Tour de Cure! Your commitment, hard work and dedication play an important role in the success of the Tour, and will help the American Diabetes Association in its goal to Stop Diabetes SM.

Every mile you ride and every dollar you raise helps us provide community-based education programs, protect the rights of people with diabetes and fund critical research toward a cure.

When you ride, you help us change the future of diabetes. Participation in the Tour de Cure encourages living a healthy, active lifestyle. Bicycling is one of the best forms of exercise for many people, but especially for those living with diabetes. Exercising helps control blood glucose levels in people with diabetes and improves overall quality of life for everyone. Cycling is also one of the activities that can help prevent or delay the onset of type 2 diabetes in people who are at risk.

This Fundraising Guide is filled with helpful information and tips to ensure you have a fun, successful ride and fundraising experience. If you have any questions or need additional support, please contact your local Tour de Cure Manager by calling 1-888-DIABETES.

We can Stop Diabetes together... pedaling one mile at a time.

The American Diabetes Association
Together we can STOP DIABETES. One mile at a time.

About the American Diabetes Association
The American Diabetes Association is the only non-profit organization supporting all 23.6 million Americans living with diabetes – including type 1 and type 2 diabetes; children and adults. The Association funds research to prevent, cure and manage diabetes; delivers services to hundreds of communities; provides objective and credible information; and gives voice to those denied their rights because of diabetes. Founded in 1940, our mission is to prevent and cure diabetes and to improve the lives of all people affected by diabetes.

About Diabetes
Diabetes is a disease in which the body does not produce or properly use insulin. Insulin is a hormone that is needed to convert sugar, starches and other food into energy needed for daily life. The cause of diabetes continues to be a mystery. Both genetics and environmental factors such as obesity and lack of exercise appear to play roles in the cause of type 2 diabetes.

Type 1 Diabetes
Results from the body’s failure to produce insulin, the hormone that “unlocks” the cells of the body, allowing glucose to enter and fuel them. It is estimated that 5-10% of Americans who are diagnosed with diabetes have type 1 diabetes.

Type 2 Diabetes
Usually results from insulin resistance (a condition in which the body fails to properly use insulin), combined with relative insulin deficiency. Type 2 diabetes accounts for about 90-95% of all diagnosed cases of diabetes.

Symptoms of Diabetes
Diabetes often goes undiagnosed because many of its symptoms can seem harmless. Recent studies indicate that the early detection of diabetes symptoms and treatment can decrease the chance of developing the complications of diabetes.

Some diabetes symptoms include: frequent urination, excessive thirst, extreme hunger, unusual weight loss, increased fatigue, irritability and blurry vision. If you have one or more of these diabetes symptoms, see your doctor right away.

Diabetes Complications are Serious
• Increased risk of heart disease and stroke
• Leading cause of kidney failure
• Nervous system disease and nontraumatic lower-limb amputations

You can take our Diabetes Risk Test to find out if you are at risk for type 2 diabetes at www.diabetes.org/risktest or by calling 1-800-DIABETES.

For more information about the Association or diabetes, please visit our Web site at www.diabetes.org or call 1-800-DIABETES.
Every 20 seconds someone in this country is diagnosed with diabetes. The American Diabetes Association relies on the dollars raised through Tour de Cure to support our mission: to prevent and cure diabetes and to improve the lives of all people affected by diabetes. Every mile you ride and every dollar you raise helps us provide community-based education programs, protect the rights of people with diabetes and fund critical research toward a cure.

Riders are responsible for collecting donations to meet (and exceed) the fundraising minimum for the event. Our online fundraising tools are designed to make fundraising quick, easy and cost efficient. Please see Page 3 for information about online fundraising and how to set up your Personal Web Page.

In thanks for your fundraising efforts, choose from a selection of great prizes including electronics, apparel, cycling accessories and much more!

Connect Your Donors to Our Mission
When you are writing your fundraising emails or asking people to join your team, it is important to include facts about why you are supporting the American Diabetes Association and Tour de Cure. Help us share the work of the Association and our mission by including the facts below in your fundraising and recruitment emails, letters and other fundraising activities.

• The American Diabetes Association is the only non-profit organization supporting all 23.6 million Americans living with diabetes – including type 1 and type 2 diabetes; children and adults.

• In 2008 more than $170 million, or 75% of the Association’s expenses, was invested directly into mission activities including research, information and advocacy.

• Diabetes is a disease that has serious and even deadly consequences, and there is no cure.

• 1 in 3 children born in the year 2000 will develop diabetes in their lifetime if current trends continue. The ratio is even greater for minority children with 1 in 2 developing diabetes in their lifetime.

• In 2007, the total estimated cost of diabetes in the United States was $174 billion.

• Since its inception, the Association has invested more than $450 million in research and provided funding for more than 4,000 research projects.

• The Association continues to be the largest provider of Diabetes Camps as well as weekend retreats and one-day events that benefit more than 10,000 children of all ages each year.
Online fundraising is fast and easy—we’ve already created a personal page for you!

Login to your Tour Center at diabetes.org/tour and follow the easy instructions. Here’s how to do it in six easy steps!

STEP 1: Update your personal fundraising goal
Set your sights high! Choose a goal that will motivate you and your donors! $250? $500? $1,000? Often riders surpass their original goal so you can always raise it again! Click on “change” next to “My Goal” on your progress bar.

STEP 2: Select “Personal Page” to customize your personal Web page
• Create a personalized Web Address for your fundraising page (and for your team if you are a Team Captain). Example: http://main.diabetes.org/goto/JennysTour.
• Create a personal title. Example: Welcome to Jenny’s Tour Page!
• Choose your font size, type, color and paragraph format.
• Enter your own text and tell why you are participating in Tour de Cure. Your contacts will visit this page to support you with a donation.
• Add two photos or video. CLICK COMPONENTS to change your settings for your thermometer, fundraising honor roll or add a personal blog to your page. Be sure to click SAVE as you go!

STEP 3: Upload Contacts to Your Address Book
• IMPORT CONTACTS from an existing address book from AOL, Outlook, Yahoo!, Gmail, or a generic CSV file by following the easy steps.
• Use the “Add to Group” feature to group your contacts if you want: family, co-workers, etc.
• Or ADD CONTACTS manually by entering their name and email address information. The more addresses you import and the more people you send emails to, the more money you’ll raise to fight diabetes!

STEP 4: Send Email to Family, Friends & Co-Workers…
Cash & checks you turned in to the ADA are called “offline donations” and will not appear automatically on your Web page. You have to enter them manually if you want to see them in your total. To do so:
• Click “Enter a new Gift”
• Enter the details and click “Add”
For more detailed instructions on how to set up your personal Web page and use your Online Fundraising Tools, download the complete Online Fundraising Guide from your Tour Center.

STEP 5: Follow-up with your contacts
The Contacts page will also show how much each contact has donated.
• Use the drop down filter to see who needs to be thanked for their donation and who needs to receive a follow up email.
• You can check the box beside each of these contacts and then click Compose to start an email just to those selected.

STEP 6: Enter Checks & Cash Received
The Contacts page will also show how much each contact has donated.
• Use the drop down filter to see who needs to be thanked for their donation and who needs to receive a follow up email.
• You can check the box beside each of these contacts and then click Compose to start an email just to those selected.

ONLINE Fundraising: A Quick Guide
Whether you are the Team Captain of a Friends & Family Team, a Corporate Team, a Club/Organization Team or you are riding as an individual, these fundraising ideas can work for everyone!

Remember the Six Steps of Fundraising

**STEP 1: Set Your Goal**
Set a high—but not impossible—goal and tell everyone what it is. They will want to help you reach it!

**STEP 2: Make a List**
Make a list of EVERYONE you know. That includes friends, family, co-workers, neighbors, old classmates, your hairdresser, local businesses you frequent—don’t exclude anyone! You may be surprised how diabetes has affected someone you know.

**STEP 3: Make the Ask and Ask Big!**
Tell the potential donor what you are doing and why it is important to you. Tell them how their donation will help Stop Diabetes through the work of the American Diabetes Association in communities around the country. Choose the method that works best for each potential donor: send an email, meet face-to-face, make a telephone call, or mail a letter.

**STEP 4: Collect your donations and submit them to the American Diabetes Association**
Send checks to our office or place them in your collection envelope and bring them to the Tour de Cure. Please write a check in place of any cash you receive. Use the form on page 12 to accept donations by credit card or direct donors to your Web page to make secure online gifts.

**STEP 5: Thank Your Donors**
Always thank your donors promptly for their contribution with a thank you note. Your Tour Center provides thank you emails you can send with just a few clicks. Additional things you can do to show your appreciation:

  • Send occasional updates to let your contacts know how your training and fundraising efforts are going
  • Invite your donors to the Tour to cheer you on at the finish line celebration
  • After the event, send a letter to let them know how much you raised and how the ride went. Include a photo of you with your bike!

**STEP 6: Select Your Thank-You Gift**
Participants who raise the minimum fund-raising amount will receive a commemorative Tour de Cure T-shirt on the day of the event. Those who reach higher fundraising levels earn their choice of exciting thank you gifts including cycling gear, popular electronics and our exclusive Tour de Cure jerseys and apparel. After the event you’ll receive a redemption certificate you can use to select and order your gift. View the list of gifts enclosed on page 8 and also at diabetes.org/tour.
Double Your Money with Matching Gifts!

Many employers sponsor matching gift programs and will match any charitable contributions made by their employees. Some companies even match gifts made by retirees and/or spouses!

Contact your Human Resource Department to find out if your company has a corporate Matching Gift Program and how it works. If they do, pick-up a matching gift donation form (or a link to the online form) from your HR Department. Your company may match your donation as well as donations made by your co-workers if they also apply for matching gifts.

Please make sure your name (rider’s name) is written clearly on the form (paper or online). Enter it in the top left-hand corner and include your Tour site name (i.e. Miami Tour de Cure). It is important to turn in the form at the same time you turn in your donations so that the matching gift(s) can be tracked.

This is an easy way to double or even triple your funds for Tour de Cure. Don’t forget to encourage your donors to ask their companies for matching gift forms.

The advantages of using matching gifts are:

• You can double the amount of money you turn in and qualify for larger incentives.
• Those individuals who support you can take advantage of it as well, increasing your funds raised.
• The American Diabetes Association will be able to fund more research, programs and education with the funds raised from matching gifts, aiding us in our mission to Stop Diabetes.

Letter Writing Campaign

Next to Online Fundraising, the personal appeal letter can be one of the most effective ways to raise funds in the fight against diabetes. Participants can personalize their letter with details about why they are riding and how funds raised will support the mission of the Association. Tailor your letter to friends, family, business owners, colleagues, etc. Make sure to include the link to your Personal Web Page so they can donate online and see your progress! Letters should include a donation deadline and a self-addressed stamped envelope, giving them an alternative to donating online. See the sample letter on page 9.

Vendor Letter Writing Campaign

Send a letter on your company’s letterhead to your Suppliers/ Clients requesting their involvement. Many companies you support throughout the year through your regular business relationships like to help support causes that are important to you. See the sample letter on Page 10 that you can use to solicit donations from your Suppliers/Clients. Make sure to get permission from your supervisor and/or upper level management before conducting a Vendor Letter Writing Campaign.

Raise $500 in 9 Days!

DAY 1: Make your own donation of $25
DAY 2: Ask 5 friends for a $10 donation
DAY 3: Ask 10 co-workers to give $10
DAY 4: Ask 10 family members for $10
DAY 5: Ask your doctor or dentist to give $25
DAY 6: Ask 4 businesses you frequent to give $25
DAY 7: Ask 5 people from your place of worship to contribute $10
DAY 8: Ask 5 neighbors for $10!
DAY 9: Congratulations! You just raised $500 – share your success with your donors!
Creative FUNdraising Ideas!

Keep the Change
Ask people to donate their pocket change. Set up change jars or bottles at home, the office or a local business and watch the change add up. Every penny counts!

Jeans Day or Casual Day
Encourage co-workers to make a donation in exchange for wearing jeans or dressing casually. Suggest a minimum donation of $5. Talk to the decision maker in your company to plan a Jeans or Casual Day.

Online Networking
Use your corporate networking web site, such as LinkedIn, or other sites such as Facebook to let others in your network know that you are participating in Tour and invite them to join your team or donate.

Auction (Silent or Live)
Ask for contributions of unique items, gift cards, or a stay at a timeshare and hold the event at your workplace over lunch. Ask the Senior Executives to donate a premium parking space, lunch with the CEO, or time off. Auction the items to raise funds.

House Party
Invite friends over for a dinner, barbeque or masquerade party at your house or other location for a pre-determined donation amount. Show the Tour de Cure video and get them excited about helping you Stop Diabetes.

Provide a Service
Do extra car pool duty, pet care, baby sit, mow lawns, give manicures, run errands, tailor clothes, organize closets, clean houses, or whatever you can think of and ask for a donation as payment.

Create a Tour de Cure Victory Wall
Use Tour yellow paper jersey pin-ups to create a wall display at work. Encourage people to write their name on one when they donate or the name of someone whose life has been touched by diabetes. Contact your local Tour Coordinator to get pin-ups and other fundraising materials.

Clean Out Your House
Have a garage sale and ask your friends and neighbors to donate items for you to sell. Explain that all proceeds go to the American Diabetes Association’s fight against diabetes. Have the kids sell lemonade and donate the proceeds!

Entertainment
Plan an evening of entertainment and invite your friends, family and co-workers. Ask talented friends to perform a benefit concert and charge a minimum donation for entry. Some ideas include: game night, poker night or movie night. Ask a local pool hall, restaurant, bar/club or bowling alley to donate their venue.

Email Signatures
Include a link to your Personal Web Page in your email signature – makes it easier for the recipient to make an online donation!

Delegate
Ask 10 friends to ask 10 of their friends to support your effort!

Guess the Baby Pictures
Ask colleagues to bring in a baby picture and encourage people to guess who each baby is for a donation to your Tour team. Get a donated prize for the winner like a $5 gift card to a local coffee shop.

Pot Luck Lunches
Name every Thursday “Tour Pot Luck Day.” Team members take turns preparing foods, (salads, desserts, etc.) and invite their colleagues to enjoy the meal for a set donation.

Spread the Word
Change the recording on your voicemail or answering machine to mention Tour de Cure and invite callers to join your team or make a donation. Make it funny! Tell them you will not call back unless they support you!
Team Up!

If you registered as an individual rider, please consider forming a team. Riding with co-workers, friends and family members makes your Tour de Cure experience more enjoyable!

Benefits of Forming a Team

• Strengthens teamwork and team building skills
• Boosts corporate pride and employee retention
• Provides an opportunity for family and friends to come together
• Encourages community involvement
• It’s easier to fundraise with others
• It’s more fun to participate as a group and celebrate on the day of the Tour!

Steps to Form a Team

STEP 1: Decide on a Team Name.

STEP 2: Register your team online by choosing “Create a Team” or by contacting your local Tour Coordinator at 1-888-DIABETES or through the “Contact Us” link on diabetes.org/tour. Please make sure to include your name and event name in your email.

STEP 3: If needed, your Local Tour Coordinator will change your individual registration to a Team registration.

STEP 4: You’ll receive additional support and resources to help you and your team reach your fundraising and recruitment goals.

Team Captain Responsibilities

• Set a team fundraising goal
• Recruit team members
• Raise funds
• Update and follow up with team members
• Make it fun!

Team Captain Tips

For more tips on how to be a great Team Captain, please refer to our Team Captain Guide.

Recruit Team Members!

• Invite everyone you know to join your team! That includes your friends, family members, co-workers, neighbors – everyone you know!
• A team can start with two or more people but the more people, the more fun it will be and the more money you’ll raise together!
• There is no limit to the number of team members on one team.

Register Your Team Members!

• Every team member must register online or complete a registration form provided by your local Tour Manager.
• Include your Team Name and Web Page address on all brochures, flyers and other communications.
• Keep an updated roster of your team members and maintain regular contact through your Team Web Page, phone calls and team meetings as necessary.

Raise Funds as a Team!

• Use our Online Fundraising Tools to ask for donations from friends, family, co-workers and everyone you know!
• Organize Team Fundraising events.
• Support each other as you get closer to reaching your goal.

“As leaders we are constantly looking for ways to better engage our teams in the important work we do at our company. The Tour de Cure is an incredible team building activity. It connects leaders with employees and fosters unforeseen networks across the volunteers, participants, and family members, too! Companies spend countless hours and thousands of dollars on staff retreats and team building activities when in fact starting a Tour de Cure team can achieve these same results and at the same time fulfill a civic responsibility. A Tour de Cure Corporate Team is a simple solution to a company’s need for team building, healthy living and supporting the community all in one!”

Diabetes Dollars

The Diabetes Dollars program is great news for Team Captains. For every NEW rider you recruit to your team, we’ll credit you with 25 Diabetes Dollars towards an exciting thank you gift. To get the credit, both you and the new rider must raise and turn in (at least) the minimum fundraising amount two weeks before the day of the Tour. There is no limit to the Diabetes Dollars you can earn!
Thank You Gifts...

...for your Commitment to the Mission of the American Diabetes Association.

To view all items, visit our web site diabetes.org/tour and click on Thank You Gifts. Gifts are not cumulative. Participants will receive redemption certificates following the event.

Sample Letters

This letter may be used for Online Fundraising or a Letter Writing Campaign. To receive this sample letter (and others) in a customizable word document via email please contact your local Tour Manager.

Sample Email/Letter to Family, Friends, Neighbors & Greeting Card List

Dear Friend,

On [date] I will be joining more than 50,000 fellow riders from across the country in this year’s Tour de Cure to raise money for the American Diabetes Association.

I will be gathering donations and cycling to help Stop Diabetes™. I’ve accepted the challenge to train and go the [50] mile distance.

I am asking for your help. By making a donation on my behalf, you will be helping the American Diabetes Association provide community-based education programs, protect the rights of people with diabetes and fund critical research for a cure.

Diabetes is a disease in which the body does not produce or properly use insulin. Insulin is a hormone that is needed to convert sugar, starches and other food into energy needed for daily life. There are 23.6 million Americans living with diabetes, a disease that is outpacing heart disease, cancer and AIDS. If we don’t act now, one in three children born in the year 2000 will develop diabetes in their lifetime.

I know that my participation in this year’s Tour de Cure can and will make a difference, with your support. With the help of people like you, the American Diabetes Association can raise over $16 million to help Stop Diabetes.

My goal is to beat the national average pledge of $440 by raising at least [$GOAL]. Please help me reach my goal by supporting me for this year’s Tour de Cure. Please go to my Web Page at [PERSONAL WEB PAGE ADDRESS], to make a secure, 100% tax deductible donation. If you do not want to donate online, please make your check payable to the American Diabetes Association and include your donation in the enclosed envelope. Please mail your contribution to me at [YOUR ADDRESS.]

Together we can stop diabetes, pedaling one mile at a time.

Yours truly,

(signature)
Sample Vendor Letter

To receive this sample letter (and others) in a customizable word document via email please contact your local Tour Manager.

Send a Letter on company letterhead to your Suppliers/Clients requesting their involvement

(DATE)
(NAME)
(TITLE)
(COMPANY)
(ADDRESS)
(CITY, STATE ZIP CODE)

Dear (NAME):

On (EVENT DATE), I will be riding with the (COMPANY NAME) Team in Tour de Cure, benefiting the American Diabetes Association, at (LOCATION). (COMPANY NAME) has set a goal to raise at least $(AMOUNT), and I am hoping you will join us by doing one of the following:

• **Take A Leadership Role:** Form your own team within your company. Simply designate a Team Captain(s), set a goal, recruit riders, collect donations, and join us on (EVENT DATE).

• **Make A Corporate Contribution:** Support our team by writing a check payable to the American Diabetes Association and mail it to me.

• **Ride With Me On My Team:** Collect donations, get a T-shirt, share the camaraderie, and feel great in knowing that you helped save lives!

I am sure that you get solicited by several non-profit organizations each year, just as I do. However, diabetes is America’s fastest growing disease and the American Diabetes Association needs our help to stop this growing epidemic.

Every dollar raised through Tour de Cure supports critical diabetes research, information and advocacy. (HIGHLIGHT LOCAL RESEARCH OR PROGRAM HERE). In fact, the American Diabetes Association is the only national non-profit health organization supporting all 23.6 million Americans living with diabetes; people with both type 1 and type 2 diabetes, children and adults. In a typical year, more than 75 cents of every dollar raised supports the mission: to prevent and cure diabetes and to improve the lives of all people affected by diabetes. The American Diabetes Association holds the Better Business Bureau’s (BBB) Wise Giving Alliance Seal for National Charities.

I sincerely hope that you will join me and help us reach our ultimate goal: to **Stop Diabetes**. If you would like to form your own team, please contact (TOUR MANAGER’S NAME) at the American Diabetes Association at (PHONE NUMBER) or (EMAIL ADDRESS). Thank you for your time and consideration.

Sincerely,

(NAME)
Sample Donor Receipt

Give these receipts to your donors who give you cash or checks for their tax records. Print or photocopy this page and cut each receipt as needed.

Champions for Diabetes: Top Fundraisers Club

When you ride in Tour de Cure, you take part in something unique. You join the ranks of some of the most passionate people in the country – people who care about cycling, health and, above all, finding a cure for diabetes.

In order to thank our most outstanding fundraisers, we have created the Champions for Diabetes Top Fundraisers Club. It’s our way of showing you what a difference you make in the lives of the 24 million people living with diabetes.

Enjoy these exciting member benefits!

✦ Listing on a special Champions for Diabetes Web page
✦ E-mail Recognition
✦ Tour de Cure Medal corresponding to club level achieved
✦ Special on-event recognition (varies by location)
  • Priority service at event check-in
  • Opportunity to lead the ride out
  • On-stage recognition
  • Special rider number for next year’s event
  • Invitation to various special events throughout the year
  • Recognition on route signage

*Level based on the current approximate number of people with diabetes: 24 million

www.diabetes.org/tour

2010 Champions for Diabetes Jersey
