

HOW TO CREATE A FACEBOOK FUNDRAISER

1. Once logged into your Participant Center, look for the blue box under Achievements. Click on Fundraise on Facebook to begin set up. Note: Once you click the Fundraise on Facebook button, your fundraiser will be live.

The screenshot shows the Participant Center interface with a navigation bar (Home, Social, Email, Donation History, Personal Page) and a main content area. The main content area includes an overview for the user, a fundraising progress summary, a list of next steps, and a blue box for connecting to Facebook. The 'Achievements' section is circled in green, and the 'Fundraise on Facebook' button in the blue box is also circled in green.

Next Steps

- Customize Your Personal Page**
You'll raise more money if you let people know why this is important to you. Update your personal page to tell your story. →
- Make a Personal Donation**
Kickstart your fundraising by making a donation toward your own goal. It's a great way to get the ball rolling, and it's easier to ask others to donate once you've done it yourself. →
- Send an Email**
Send a message to your family and friends directing them to your fundraising page. You can write your own personal message or use our suggested language to get started. →
- Thank Your Donors**
You can never say thank you enough. Send a message of gratitude to the people who have donated to your fundraiser so far. →
- Update Your Fundraising Goal**
Are you close to meeting your goal? Why stop there? Update your goal and see how far you can go. →

Achievements

Raise more money with Facebook
Connect your fundraiser to Facebook so you can raise money through your social network. The money you raise will count toward your goal.
